# REDUCE LITTERING WITH CIGARETTE BUTTS

## A FUN AND EFFECTIVE SOLUTION

Divided into two compartments, the ashtray invites smokers to vote with their cigarette butts between two proposals.

The body of the ashtray is made of bead-blasted stainless steel with a tempered glass front panel; communication is via a simple A6 sheet of plastic-coated paper.

The voting ashtray is made entirely in Switzerland in a sheltered workshop.

## DRAINING

To empty, simply open the lock on the side. Use a container underneath the ashtray to collect the cigarette ends.

## DIMENSIONS

Height > 53.8 cm  
Width > 19.4 cm  
Depth > 7.7 cm

## FIXING

Wall-mounted with 4 screws or on a post. For example, with metal clamps to be passed through the two tubes provided for this purpose at the back of the ashtray.

## PRICE

The voting ashtray is priced at CHF 297, excluding tax and delivery.

This price includes the production of the beadblasted stainless steel ashtray. For orders of 2 or more, the colour can be customised for CHF 60/piece.

## CUSTOMISED FRONT PANEL

The front bonnet can also be customised with a sticker. A supplement of CHF 80.00 per item will be charged, which includes taking care of the printable file, printing and applying the sticker. A template is available for this purpose. Screen printing available on request.

Do you need help with the visual? Customisation can be carried out by our graphic designer at a cost of CHF 130 per hour.

## VOTING PROPOSALS

These questions are basic suggestions. We urge you to look for messages that are relevant to the location of the ashtray, the number of visitors and your activity.

- In the woods you prefer to meet Bear'garlic / Forest bear
- Pizza HawaiiExquisite / Intolerable
- Friday night is

Out in a box / Games box

*A study carried out at the Nyon Gymnasium showed a 25% reduction in the number of cigarette butts on the floor when a voting ashtray was installed in an area already equipped with.*
